

Draft 5086 LATM Scheme Summary – Hillcrest

We have developed the draft LATM scheme for Hillcrest and we would like your feedback. This is a final chance for you to have your say about the draft LATM scheme.

Please see below for a summary and map of the proposed traffic control treatments.

Patricia Ave

Installation of traffic improvements including:

- Pedestrian and cyclist refuge (near Treweek Ave)
- Painted median and turn lanes at Patricia Ave and North East Rd
- Rollover kerb parking bays (near Mitsubishi car dealership on North East Rd)
- Pavement bar medians at Patricia Ave and Oxford St
- New footpath link at Delhi Reserve to post box

Oxford St

Installation of traffic improvements including:

- Pavement bar medians at Patricia Ave and Oxford St (also included in the Patricia Ave treatment schedule)
- Pavement bar median at the Oxford St bend
- Pavement bar medians at Patricia Ave and Bristol Tce

Douglas Ave

Installation of traffic improvements including:

- Raised concrete median at Douglas Ave and Fosters Rd

Narrow streets

Parking controls review in line with our Narrow Streets Parking & Access Policy:

- Norman St
- Napier St
- Culgoa St

For more information about the Narrow Streets Parking & Access Policy, please see:

<https://haveyoursay.cityofpae.sa.gov.au/narrow-streets>

Parking review

Installation of parking controls at:

- Fosters Rd (near Oakden Medical Centre)

Stage 2 treatments

Considered after a 12 month review of other treatments:

- Pedestrian refuge on Oxford St (near Sussex Ct)
